

# This is a time... Liturgy

Many thanks to Rev Catriona Gorton of Hillhead Baptist Church, Glasgow, who has written this liturgy based on our **This is a time...** reflections:

## MORDECAI SAID TO ESTHER

**'maybe it is for such a  
time as this...'**

Esther 4:14

Let us pray

For God's people to pray for wisdom,  
**This is a time**

For God's people to take courage,  
**This is a time**

For God's people to seek truth  
**This is a time**

For God's people to expose deceit  
**This is a time**

For God's people to make their voices heard  
**This is a time**

For God's people to face new challenges  
**This is a time**

For God's people to be a transforming presence  
**This is a time**

For God's people to do justice,  
**This is a time**

For God's people to love mercy  
**This is a time**

For God's people to walk humbly  
**This is a time**

For God's people to be peacemakers  
**This is a time**

For God's people to seek the common good  
**This is a time**

For God's people to live our values  
**This is a time**

For now, and for always  
**This is a time**

**Amen**
